Bergson Henri University Of Warwick

Henri Bergson was the philosopher who, in an intellectual career stretching from the 1880s to the 1930s, provided a rigorous account of the real efficacy of time (which he called duration). This allowed him to conceive of creativity as the source of both psychological freedom and of life as an open system. Bergson identifies in the history of Western thought the demotion of time to the status ...

Henri Bergson AESTETISCS Henri Bergson did not leave special works on aesthetics, but aesthetic ideas permeate his philosophical works. As the heir to the tradition of romanticism and a representative of the philosophy of life, as well as being one of the most prominent representatives of intuitionism, Bergson does not limit the use of intuition to the sphere of art, as Benedetto Croce does ...
