Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

Clinical Chemistry Made Easy 1e

"Clinical Chemistry Made Easy is a handy pocket sized guide to help direct your decision as to what to test, to order and then how to apply the results, to implementing the best therapy. It is well laid out in a step by step format with plenty of diagrams and illustrations." David Miller, 3rd year medical student.
