Collins Bird Guide

The Collins Bird Guide App provides everything you need to identify a species quickly and learn about it thoroughly. Immerse yourself in the exceptional illustrations, maps, calls and concise text....

Collins Bird Guide - Apps on Google Play

The Paul Sterry Complete Guide To British Birds is exactly what I wanted for the field and the Collins Bird Guide is great for a more in depth study or identification. I am a reasonably competent birder who is working toward ticking off a list of species from a pocket book I bought in 1989 and these books will assist me greatly now that I have reached a point of having to actively find the less common species.
