Partha Dasgupta writes
in his Preface of A Very
Short Introduction: "...
in one way or another
we are all economists.
... As economics
matters to us, we also
have views on what
should be done to put
things right when we
feel they are wrong.

Abstract. Economics: A Very Short Introduction describes the lives of two children who live very different lives in different parts of the world: in the Mid-West USA and in Ethiopia. It compares the obstacles facing them, and the processes that shape their lives, their families, and their futures. This VSI shows how economics
