The main purpose of English 101 is to introduce you to the conventions of academic writing and critical thinking. And while academic writing means different things to different people, there are some common elements. We write to communicate to others-whether they are colleagues, professionals in their fields, or friends.

Reflecting on My English 101 Experience I used to consider writing as tumble words from your mind, write, read it through, fix minor mistakes, and done. However, you rarely get successful. The truth is many students, including myself, struggle with starting to write a word, or getting stuck in the middle without knowing the main point of the writing.
