### Europe from the Balkans to the Urals: The Disintegration ...

In Europe from the Balkans to the Urals, Reneo Lukic and Allen Lynch analyse the political processes that led to the disintegration of the Yugoslav, Soviet and Czechoslovak states and the international consequences that have flowed from these three collapses. The authors, who have delved deeply into primary and secondary sources in more than half a dozen European languages, look in particular at the role that 'federalism' played in the collapse of these once communist states.
