Excel Simulations: Verschuuren PhD, Gerard M ...

Some of this is shown on some of my websites, though the videos are older, and much less extensive than Dr.Verschuuren's. I've preordered (November) the author's upcoming book 100 Simulations in EXCEL, and anticipate it will be a useful extension of the types of models shown in Excel Simulations. I look forward to learning more. Good book!

Buy Excel Simulations Book Online at Low Prices in India ...

I loved Dr Gerard M Verschuuren's first book: "Excel for Scientists and Engineers". I learned many great tricks for statistics from that book. This book is no different. I learned many cool simulation tricks for the statistics that I do. Really a great Excel resource for simulations! The most amazing thing is the breadth of examples!
