Maple Quick Start

Sherwood Flame is remarkable not only for its beautiful red leaves all summer, but for also having the most vibrant fall display of all the red-leaf forms. Not content with just turning a brighter red, this tree bursts into a blazing crimson bonfire in your garden every fall. While other trees are plain in winter, this tree is known for flowering at a young age and producing a heavy crop of ...

The Maple Guide is a system that serves to recommend training areas, as well as bosses, for players within a certain level range. You can use this system to teleport to areas near your level, which can be used to access certain other content, such as bosses. You can gain Content Map Stamps for each area above Level 30, which will allow you to teleport to that area whenever you want, even when you are out of that area's level range.
