Cover of the GH3 Service Manual(panasonic.com) Moreover, the Service Manuals provide instructions on how to access some hidden information on camera performance and operating errors. One can, for example, put the camera into service mode to see a list of error codes that reveal to the technician where the camera might have malfunctioned in the past, and the Service Manuals decode those entries.

### Panasonic Lumix Service Manuals - Apotelyt

Oddly all the manual focus aids on the GH3 are optimised for shooting stills and none of them can be used at the same time as recording video, making manual focus pulls more difficult and less precise without an external HDMI monitor.

In all still and movie modes as well as with the monitor or the electronic viewfinder, the GH3 works in live view mode. It can be operated in manual focus mode with software magnification or with a versatile contrast-detection auto focus system, including face detection and object tracking. This applies to steady shots as well as to movie takes.
