Glass Ornaments | The Jolly Christmas Shop

Today, I must have been feeling brave because I decided to tackle another project, this time from the original "Sew Pretty Homestyle" book. Again, the instructions were not brilliant (maybe I'm just thick!), perhaps something gets lost in translation, but it was a pretty easy project once I sussed them out.

When the boxes come down from the attic every year, one of my favorite Christmas items to uncover is a table runner my mother made for me.

Placemats + Runners Archives - Sew4Home

With its cowhide leather patchwork case, it fits into both modern and classic living areas, adding a rustic vibe to its design. Toned colors and basic finish make this pillow works well with any decor items. As each cushion cover is created from pieces of leather stitched together, they may slightly differ in look. Country of Origin: China
