Millennials in the Workplace - Best Speech Ever By Simon Sinek

In the interview, Simon and I discussed what he calls the “Millennial Question”—namely why millennials have a bad rap, and how leaders can create an environment in which they can thrive. On set that day, with an audience of both millennials and older generations, the environment was electric.

Simon Sinek on the Millennial Question - Impact Theory

British-born writer and essayist Simon Sinek is of the same persuasion and, for many years, he has taken an interest in how young people approach the world of work. His target group are those very Millennials, the cohort born between 1984 and 2000, who he described in a now famous interview that went viral on social media just a few years ago.

Simon Sinek's Advice: “Millennials, Learn To Be Patient ...

Before delving into what Simon Sinek got wrong about Millennials, the thing he got right is there is broader context to this generation. Many societal and technological trends impact this generation. Parenting approaches changed. Social media and digital devices emerged quickly. Each of these elements change people and how they live and work.
