He also wrote *Travels in the Mughal Empire*, which is mainly about the reigns of Dara Shikoh and Aurangzeb. It is based on his own extensive journeys and observations, and on information from eminent Mughal courtiers who had witnessed the events at first hand.

François Bernier - Wikipedia

What is most impressive about this monument is the fact that it is not just a building but also, an entire city. The city served as the capital of the Mughal Empire for roughly 10 years. It was constructed during the reign of the Mughal emperor Akbar and designed mostly by Tuhir Das under the influence of the Indian principles of architecture.

The Mughal Empire - Architecture Travel Guide

Travels in the Mogul Empire: AD 1656-1668. It is a great work by Bernier and helps to understand European perspective on India in Aurangzeb's times. The book is very much affordable costwise. Nice hardcover binding and good printing,.

Bernier's text *Travels in the Mughal Empire*; A.D. 1656-1708 was a primary source for certain European writers from Montesquieu to Marx for their representation and characterisation of oriental despotism.

What did Bernier actually say? Profiling the Mughal empire ...

The trajectory of the Mughal Empire over roughly its first two centuries (1526–1748) thus provides a fascinating illustration of premodern state building in the Indian subcontinent. The individual abilities and achievements of the early Mughals—Bābur, Humāyūn, and later Akbar—largely charted this course.
