This was a daunting project if ever I'd seen one. It was, in fact, next to impossible given the constraints within which I was working. But I couldn't throw my hands up and say no. I had a job to do and I had to begin somewhere. Project Paper Elimination was not an unqualified success. In fact, it was closer to an unqualified failure.

Jesmyn Ward's *Salvage the Bones* depicts the Batiste family, a poor, black family in southern Mississippi living in a crater in the earth called "The Pit." Plagued with an invading red tint—similar to that of hell—and disarranged structure, *The Pit* is reflective of the Batiste family's life: dysfunctional and deplorable.
