Creating A Healthier Church Family

In Creating a Healthier Church, the reviewer was impressed with the early clarification to apply the book to oneself (as pastor or leader), not others, for maximum benefit (21). This was part of the book's goal in applying family systems theory, to reflect on one's own role in church, how past challenges have been handled, and how this might be improved.

The first of the four churchy books that I've been assigned to read as part of a Presbytery-required Interim Pastor Training session is Creating a Healthier Church, by Ronald W. Richardson. Written in 1996, it approaches congregational life through the lens of a pastoral counselor, and particularly through the application of family systems theory to church dynamics.

Beloved Spear: Creating a Healthier Church

Church can be messy and difficult. Building relationships takes effort and sacrifice. We live in a self centered culture and sadly this has crept into our churches. God didn't design us to be loners in our Christian walk (Hebrews 10:24-25) but desires us to be in a local body where "love and good deeds" can be lived out among family.
