Cubism And Fashion

Cubism and Fashion demonstrates for the first time how the fundamental traits of Cubist art were translated into fashion during the critical years from 1908 into the early 1920s and how Cubism has continued to influence designers even to the present. This volume, by juxtaposing art and fashion, shows how many of the most glittering and elegant dresses of the teens and twenties benefited from Cubist concepts.

Cubism and Fashion | MetPublications | The Metropolitan ...

Published to accompany a 1998/9 exhibition at The Costume Institute of The Metropolitan Museum of Art, New York, it sets out to demonstrate how fashion's newly planar forms and cylindrical, waistless silhouette exemplified Cubism's interpretation of the body. Fashion illustration and photography of the period also followed the precepts of Cubist imagery, with its indeterminate space, cylinders, cones and rotation.

Cubism Clothing - New Moon Boutique

Cubism, highly influential visual arts style of the 20th century that was created principally by the artists Pablo Picasso and Georges Braque in Paris between 1907 and 1914. The Cubist style emphasized the flat, two-dimensional surface of the picture plane, rejecting the traditional techniques of perspective , foreshortening , modeling, and chiaroscuro and refuting time-honoured theories that art should imitate nature.
