### Political Fictions Joan Didion

Didion's central argument throughout the essays in Political Fictions is that our democratic elections (and the entire apparatus that surround them) are only nominally connected to the electorate itself. She argues only a small percentage of the population has become the deciding element in elections, this outcome is favorable to political elites (as the population they must appeal to becomes much more manageable), and this outcome was actively contributed to by the political media.

### Political Fictions by Joan Didion - Goodreads

In these coolly observant essays, Joan Didion looks at the American political process and at "that handful of insiders who invent, year in and year out, the narrative of public life." Through the deconstruction of the sound bites and photo ops of three presidential campaigns, one presidential impeachment, and an unforgettable sex scandal, Didion reveals the mechanics of American politics.

### Political Fictions — Joan Didion

In Political Fictions, tracing the dreamwork that was already clear at the time of the first Bush ascendance in 1988, Didion covers the ways in which the continuing and polarizing nostalgia for an imagined America led to the entrenchment of a small percentage of the electorate as the nation's deciding political force, the ways in which the two major political parties have worked to narrow the electorate to this manageable element, the readiness with which the media collaborated in this ...
